Manju Kapur's Difficult Daughters & The Immigrants

A good introduction into identifying and managing mother-daughter codependence and conflict. I chauffeured her to piano lessons, tap dance, swimming, art class, modeling school. Despite independence she does not reject the idea of marriage and motherhood, indeed is more determined to marry the man of her choosing.

Manju Kapur's Difficult Daughters & The Immigrants

I've had the pleasure of knowing Katherine professionally and personally for two years, two very challenging years of my life.
