Europe's new democracy

Last year opposition parties won elections in many of these municipalities, now they see themselves deprived of income to implement their programmes.

French Views of Religious Freedom

Vox is becoming increasingly mainstream and is now the third-strongest camp at national level. A series of center-left coalitions dominated Italy's political landscape between 1996 and 2001.

Touchstone is just such a magazine.

Is Populism Really a Problem for Democracy?

Some people hate Muslims and want to raise people against each other by presenting Muslims as a threat to the country's identity and culture.

Is 'French Islam' an attempt to control Muslims in France?

This book is an important work that expands the growing literature on the economics of religion, interest group behavior, and the politics of the Catholic Church.
