Indeed, as early as the thirteenth-century Neo-Confucian ideas had infiltrated Japan by way of Song Dynasty Chan ideas which were enthusiastically promoted by Zen teachers as beneficial to the developing samurai ethic. Wright, *Philosophical Meditations on Zen Buddhism* Cambridge, 1997, p. And if I am deceived, by this same token I am.

Kyochuu Rettou (Title)

Whatever one thinks, one still wants to live in a world that is rooted in the real, even if that reality is as thoroughly disenchanting as any Weberian model of modernity might imply. Under their guidance, Husserl intoned, the European sciences were able to reduce the world to a mere object of technical and mathematical investigation.
