My Darling Clementine (1946)

He soon runs into the brooding, coughing, hard-drinking Doc Holliday as well as the sullen and vicious Clanton clan. . Perhaps the most significant change is the film's ending: in Ford's original version, Earp awkwardly shakes hands with Clementine Carter.

My Darling Clementine (1946)

Doc, who is suffering badly from and fled from Clementine previously, is unhappy with her arrival; he tells her to return to Boston or he will leave Tombstone. Always delicious and always in season, our easy-peel clementines make any moment a sweet one.

Darling Clementines®

UCLA film preservationist Robert Gitt edited a version of the film that incorporates some of the earlier version. Director said that when he was a prop boy in the early days of , Earp would visit pals he knew from his Tombstone days on the sets.

Darling Clementine

As a novelist, Dorothy Eden was renowned for her ability to create fear and suspense. It is unclear when, where and by whom the song was first recorded in English, but the first version to reach the charts was that by recorded on June 14, 1941, which briefly reached the No.

My Darling Clementine (1946)

In his book , claims that the melody was from an old Spanish , made popular by miners during the. Josephine insisted she was striving to protect Wyatt Earp's legacy. My Darling Clementine is regarded by many film critics as one of the best ever made.
