His father, John, was a comedian.

Mysore / The Imperial gazetteer of India, 1907

He was a member of the famous state convention of 1850 which was called to consider the series of compromise measures lately enacted by Congress and took a prominent part in securing the passage of the resolutions ratifying those measures. From 1871, he turned his attention to historical research, and, in 1887 was appointed state librarian of Pennsylvania. There is no question of being let off lightly.
