They were actively involved in the fighting and took part in a skirmish at McGillivray's Plantation. Kate, who by all accounts was a good-sized and sturdy woman, arrived with a large basket.

African Americans in the American Revolution

It is increasingly demanded that the distribution of success and failure within one group be roughly comparable to that within other groups. The Battle of Yorktown ensued, and the British — without their navy to provide reinforcements or supplies and with no way to retreat off the peninsula on which they were trapped — finally surrendered. This striking pair of figures presents one aspect of the role of the black man in the American Revolution.
