The sun's path is higher in the sky in summer than in winter.

Bring In The Sun

There are as many legends about this powerful Queen as there are of her famous son, and the stories began long before she even met Philip of Macedon. Unfortunately the only feeling I got was shock that the book was so bad.

Bring Down the Sun by Judith Tarr

I like Judith Tarr although some of her reviews dis her writing style.

She is sent to serve as part of a rite on what I can only assume is Crete because of its ties to the Minotaur. This one did not touch anything in me.

Married teacher, 35, 'romped with schoolboy in field then threatened to him if he told anyone'

Finally only one sun was left and as well as the sun's mother asked for him to be spared for the prosperity of man.
