French prison chief held over alleged sex with 'femme fatale' inmate

He tried eight more escapes, succeeded on the last, floating away on a coconut raft 1944 , and settled in , where he worked at various jobs over the years and established a profitable restaurant in. During the First World War, the number of prisoners reached the millions and many nations violated these rules of conduct.

Prison conditions in France

Petersburg, and surely it will transpire some time.

Internment camps in France

Kononovitch had repaired the weather worn, rotten buildings, and had made them more or less habitable; with the microscopic means at his disposal, he contrived to improve the food.

Henri Charrière

How many are in the fortress still? Petersburg that the case would never have been brought before a jury but for certain 'quarrels' between the Prefect of the Police on the one side, and the Third Section and the Ministers of Justice and the Interior on the other,--but for certain of those jealousies de metier without which, in our disordered state of existence, it would often be impossible for us so much as to breathe. Petersburg to ask for his release.

Prison conditions in France

I was nearly going to forget the House of Detention at St. Serfdom, had been abolished, and a series of reforms which were to culminate in constitutional guarantees, preoccupied the minds. As a young man he was a safecracker, a thief, and, by some accounts, a pimp in Paris when he was arrested and convicted in 1931 of murdering a Montmartre gangster-pimp, Roland Legrand.
