### Punishment and Reward

Many teachers want to keep a positive atmosphere in their classroom. It is very relevant to shaping skill performance.

### Choice Motivates Students When Rewards and Punishment Don't Work

A leader can use punishment for instance threat with a hop that the employee can feel threatened and motivated to do the right thing.

### B.F. Skinner

When you do your weekly review with The Manager, give yourself the reward or impose the punishment. People described the experience as one of helplessness, being overpowered, discouraged, or at times indifferent.

### How to Use Rewards and Punishment

Through operant conditioning behavior which is reinforced rewarded will likely be repeated, and behavior which is punished will occur less frequently.

### How to Use Rewards and Punishment

For example, a child receives a star for every five words spelled correctly.

### What is REINFORCEMENT (Reward and Punishment)? definition of REINFORCEMENT (Reward and Punishment) (Psychology Dictionary)

Skinner showed how negative reinforcement worked by placing a rat in his Skinner box and then subjecting it to an unpleasant electric current which caused it some discomfort. Examples of behavior modification therapy include token economy and behavior shaping. Behavioral motive can be changed by giving rewards for the behavior and then, gradually reducing them until the subject is no longer motivated to exhibit undesired behavior.
