### History of the Arabic Written Tradition

When did c Ali stop fighting against the infidels or defending the honour of the Prophet such that it would be right to accuse him of laziness or hesitation in any affair from the matters of religion? ### Imam Husayn

Allah was not distant; He was closer to us than even our jugular vein. Some consider this thesis as a refutation of Fazel Qatīfī, whose arguments with Al-Muhaqqiq al-Karakī are well-known. Often, his poetics tried to accomplish the impossible or attempted to stretch the limits of a paradox: he combined subjective imagination with Aristotelian representation, or poetics.
