## Yossarian

. Furthermore, his editor combated the theory by asking his interrogators why Falstein, who had only passed away in 1995, would never have broadcast any such concerns if they had borne any weight. But by the time the protagonist is in cadet training, at Santa Ana, California 1943 , he is having an affair with his commanding officer's wife on Thanksgiving, still indulging in behavior atypical of a classic hero.

### "There was only one Catch"

He frequently accompanies Yossarian in the hospital, faking injuries to stay out of combat like his friend does. He dies when he's suffocated by Huple's cat.

### Upstate New York cop hailed a hero after rescuing family from burning home

Much like Cathcart he has ambitions for higher military ranks but chooses to be below Cathcart and remain outside the limelight so that, if something goes wrong, Cathcart will take the fall instead of him.

### What is Catch 22? Meaning behind the famous paradoxical phrase at the heart of Joseph Heller's book

He is connected to two bottles of unidentified and similar looking liquid, one of which pumps the liquid through an into the soldier, while the other drains the liquid from the soldier through a zinc catheter.

### What is Catch 22? Meaning behind the famous paradoxical phrase at the heart of Joseph Heller's book

She is a sweet and innocent girl who doesn't speak English and whom the enlisted men mostly leave alone, except when they mock her in English so she can't understand them. As he is extremely timid and terrified of authority, the chaplain is tormented throughout the novel by his rude, manipulative, atheist assistant, Corporal Whitcomb.

## Yossarian

Luciana, the girl with the invisible scar whom he meets at a club in Rome, is the most romanticized of his lovers.
