### Pali Basics

If you can't find it, write to the publisher: Scandinavian Institute of Asian Studies, Kejsergade 2, DK-1155 Copenhagen K. Much of the Pali Canon is found also in the scriptures of other early schools of Buddhism, parts of whose versions are preserved, mainly in Chinese. Companion audio CD also available.

### Introduction to Pali

Many people find it helpful not to mention just plain more fun to study with others, either in a formal classroom setting or in an informal Pali study group. This impressive new dictionary has several improvements over the classic, including the use of Pali quotations from the Canon to illustrate the meaning of words, instead of simply references to those passages. The audio player is always available.
