Over their clothing, they also usually wear a burqa—a veil that covers them from the head to below the knees.

## Tribe and state in Iran and Afghanistan: an Update

In what ways was the history of the Gonds different from that of the Ahoms? David and I felt that, in view of the considerable amount of research that had been done over the last two decades on the ethnography and history of the tribes of Iran and Afghanistan in the 19th and 20th centuries, the time was now ripe for stock-taking and generalization, and an attempt at systematic comparison within a historical perspective, both between Afghanistan and Iran and also with other areas of the world. His power was partly personal but also circumstantial, as it entailed not only the ability to gain and keep loyal followers, but also to obtain military supplies.

## Dr.KALIDAS SHINDE: Nomadic Tribes Articles (Nomadic People)

This conference therefore offers a unique opportunity to set an agenda for the study of ancient Near Eastern nomadism from an integrated archaeological, historical, and anthropological perspective. China often organized these relationships as a tribute.
