DeVito, Messages: Building Interpersonal Communication Skills

With a renewed focus on skill-building, this text helps today's students understand how to master their interpersonal communication skills in every area of their lives. By providing thorough coverage of four important elements -- Critical Thinking, Skill Development, Diversity, and Listening -- Messages, Fourth Edition creates a foundation for readers to first understand the concepts, and then apply what they have learned through real-life examples and exercises. The new Fifth Canadian Edition has been updated to include new sections on multicultural communication, workplace communication, computer-mediated-communication, ageism and heterosexism, nonverbal communication, anger, dating violence, and conflict management.
