Hidden in plain sight

It was disjointed to say the least. I close my eyes and sigh happily, perfectly content in her grip. I also found the end annoying because it was just obvious they want to sell more books.

Hidden in plain sight

I found the book extremely interesting and easy to follow from the previous book.

Hidden in Plain Sight

I did not expect this quality from Panmacmillan company.

Hidden in Plain Sight by Jeffrey Archer

The conventional narrative is that the financial crisis was caused by Wall Street greed and insufficient regulation of the financial system. Enjoy the villain that attempts to one up.

Abbreviations of the positions ppl had QC etc were distracting and made it hard to follow. Can't wait for the next entry in this series.

Hidden in plain sight

The story unfolds with suspense, action, and non-stop twists and turns.

Hidden in Plain Sight

I could listen to the audios all day. . For example, it shows that in June 2008, before the crisis, 58 percent of all US mortgages were subprime or other low-quality mortgages.
