In the pre-industrial revolution period, the worker himself was the employer and the owner of the industrial unit, so there was practically no problem. It is the most important benefit of industrial relations. Where wants are satisfied and morale is created, workers do not feel the urge to work more and productivity suffers.

The problem of industrial relations : and other lectures (Book, 1929) [metrics.learnindialearn.in]

Additional analyses provide general information and guided speculation on the future activities and policies of management and employers Edwards et al 1986, Lipset 1986, Muller-Jentsch 1988.

Industrial Relations: Challenges and Opportunities

In general, the primary problem is how companies manage to achieve the levels of innovation and flexibility required by the global economy. According to Krikaldy, industrial relations in a country are influenced, to a large extent, by the form of the political government it has. Settlement methods include voluntary arbitration, conciliation and adjudication.

Industrial Relations: Challenges and Opportunities

The onus of improving morale and motivation is primarily on the employer since management is the dominant party.

Chapter 1 Lecture Industrial Relations Chapter Introduction Adapted from

Socialisation and rationalisation of industries by making the state itself a major employer.

284767698 Lecture Notes of Industrial Relations

Avoid industrial conflicts and strikes by developing mutuality among the interests of concerned parties.

Study Notes on Industrial Relations

Therefore, the objectives of industrial relations are likely to change with change in the political government across the countries. Talent Recruitment Employees are the backbone of every organization. This relationship undergoes change from thesis to antithesis and then to synthesis.
