Le désir selon sartre

According to Sartre, in his clinical work, Freud encountered patients who seemed to embody a particular kind of paradox—they appeared to both know and not know the same thing. It can take two forms, the first one is making oneself falsely believe not to be what one actually is. {Note 2: « Instant » n'a évidemment pas ici le sens du maintenant dans la succession des maintenant.

Leibniz. Les différents sens du mot « liberté »

Ainsi l'amant ne désire-t-il pas posséder l'aimé comme on possède une chose : il réclame un type spécial d'appropriation. Par exemple, le citoyen doit accepter de se plier aux règles du code de la route.

Érotisme, désir et sadisme chez Sartre in: Sartre Studies International Volume 23 Issue 1 (2017)

Introduction par Renaud Barbares -- Une liberté infinie? This non-positional quality of consciousness is what makes it a unique type of being, a being that exists for itself. L'œuvre déploie un registre dominant.

Sartre : Désir et liberté (豆瓣)

Let us consider this waiter in the café. This transformation is most clear when one sees a that one confuses for a real person for a moment.

Sartre: désir et liberté

If man possessed a sex only because he is originally and fundamentally a sexual being as a being who exists in the world in relation with other men? Sartre's text does not suggest that this role will always fall to one sex rather than to the other.

Le désir selon sartre

Julien Josset, fondateur du site. Being is objective, not subjective or individual.
