**Ussr at the Paris Peace Conference (July**

Pages very good with light creasing and tanning.

**The Paris Peace Conference — 1946**

Who knew absolutely nothing about shipping or ports or anything else. In other words, the Italians would do the work but there would be no direct link between American aid to Italy and the product which the Soviets got. Its staff of approximately 600 employees includes lawyers, economists, reference librarians, and social, natural, and physical scientists.
