## Step Into Midsomer

This is to guarantee that prompt, consistent assistance and accurate information is delivered in a professional manner. It is reached from the House by an arcaded stone terrace and double staircase with wrought-iron balustrade, with an orangery set into the space under the west side of the terrace and a shell niche between the arms of the staircase all early C18, listed grade I under Wotton House.

All will be very much draft versions, not necessarily - probably not - reflecting the final wording that will eventually appear in the Thesis. Three-dimensional seasonal bedding in sculptural beds was also an innovative feature here.

## Eythrope

Walpole House was added in 1934 and the school reached 500 pupils by 1935. There were two boarding Houses, Bruce and Temple, then both in the western part of the mansion.
