QUETTA EARTHQUAKE, MAY 31ST 1935

. Without it, I scarcely like to think what might have happened. The British Military Cantonment, however, remained safe, where only several houses were damaged.

After the Quetta earthquake of 31st May 1935

The energy of the earthquake calculated from different seismic observatories are; Bombay: energy of the long waves of the earthquake greater than 3. In the past 40 years, only one quake bigger than magnitude 6.

Catalog Record: Report on the Quetta earthquake of 31st May 1935

I have been trying to write factually and accurately about our family's experiences of our life in India from 1934 to late 1947 Calcutta. He did not see the pilot jump.

QUETTA: Earthquake 1935

The Taliban killed 10 climbers, including an American, in northern Pakistan in June. The fort was also damaged and many buildings collapsed.
