Marilyn: The Last Take by Peter Harry Brown

Marilyn: The Last Take by Peter Harry Brown

This book is specifically about the last few months of her life and is both sympathetic and indicting. I was so angry for her because in this book the authors tell about how everyone was laughing at Fox for casting Marilyn as a mother! Certainly an engrossing read, although there was a 'red herring' analysis of the comparative production disasters of Something's Got to Give and Cleopatra that didn't earn its keep.
