### Trade Union Educational League

And from personal experience within the Teamsters, I can attest that militancy among the masses at UPS is on the rise with rank-and-file members becoming emboldened and more willing not only to challenge management and their own miserable working conditions but their corrupt union leadership as well. Militants in International Longshore and Warehouse Union ILWU Local 10, who were supported by Workers Vanguard, put forward a motion calling on the union to join the city workers picket lines.

### Capitalist “Democracy” Falling Apart

Racism, for instance, comes out of a system of national oppression central to capitalism at its highest stage, in which the ruling class seeks to dominate and exploit entire nations. Amis, African American Radical: A Short Anthology of Writings and Speeches. Even more draconian, this is an apparent violation of the Thirteenth Amendment rights provided by the U.

### The Rank and File Strategy: A Resource List

We want to bring together anyone and everyone who has conflict with monopoly capitalism to overturn this system. For the last four years, the outsize figure of Donald Trump has dominated U. So, workers decided to stick with the September 25 rally and confrontation.

### Class Struggle on the Shop Floor: Strategy for a New Generation of Socialists in the United States

Available from: accessed 1 January 2015. They clearly see management as the enemy of workers and want to fight back. Soon, with millions barely living off of unemployment insurance and unable to pay their rents, the bite of the coronavirus economic depression will come, as vast numbers face joblessness and homelessness.

### B. D. Amis

But he is unlikely to get the turn out he needs for victory.

### **Trade Union Educational League**

So they have class-angled it. Although the Scottsboro Boys, now considered entirely innocent of any charges, did serve time for their convictions after a subsequent retrial, their defense by the Communists succeeded in a number of pioneering ways, notably exposing for the entire nation the racism inherent in Alabama's court system
