Security Council

The formal recommendation of a Secretary-General is approved unanimously by. Dominik Zaum is Lecturer in International Relations at the University of Reading, and author of The Sovereignty Paradox: The Norms and Politics of International Statebuilding Oxford: Oxford University Press, 2007.

The UN Security Council: From the Cold War to the 21st Century

The UNSC has also remained either frozen or failed to help resolve some of the ongoing military conflicts and civil insurrections worldwide, including in Syria, Yemen, Libya, Afghanistan, Myanmar, Hong Kong, Somalia, Western Sahara, and most recently, Ethiopia, among others.

United Nations Security Council

The UN Security Council in the 21 st Century is a project of the International Peace Institute, published by Lynne Rienner Press. There was a considerable gap between the reality on the ground and the presentation and understanding of that reality, at least in the full deliberations of the Council, not on the part of all members of the Council.

Acute need to broadbase UN Security Council

The UN Secretary-General in World Politics, ed. Focusing on the evolution of the council's treatment of key issues, the authors discuss new concerns that must be accommodated in the decisionmaking process, the challenges of enforcement, and shifting personal and institutional factors. And while many blue helmets are still involved in peacekeeping operations, the military component is just one of many in most of these operations.

Bringing space law into the 21st century

QUESTION: To what extent are there feasible reforms of the Security Council which would be more desirable from the point of view of legitimacy? William Zartman, SAIS, John Hopkins University

DESCRIPTION The nature and scope of UN Security Council decisions—significantly changed in the post-Cold War era—have enormous implications for the conduct of foreign policy. The newly independent countries of the frequently voted against the Western powers, which led the United States to resort to the veto. In the entire history of the UN, no peacekeeping mission had ever failed to once authorized by the Security Council.
