India and China (A Thousand Years of Cultural Relations)

Both cultures met in this region, and the Indianized states served as an intermediary stage for the further transmission of Indian culture and Buddhism to China. Buddhist concepts, such as the infinity of space and time, and the plurality of worlds and of time-cycles or Hindu Kalpas which had a stimulating effect on Chinese inquiry, broadening the Chinese outlook and better equipping it to investigate scientific problems. Military commanders were called Senani - a name reminiscent of the Japanese term Sensei which describes a similar status.

Hindu Wisdom

The Ninth East-West Philosophers' Conference was held in Honolulu in 2005. The original home of this shrub was in Assam, Kamarupa of old India, and from there in the third century A. So far, about five hundred caves have been discovered.
