## **Child Protection and Family Support : Tensions, Contradictions and Possibilities by Nigel Parton (1997, UK)**

It provides a good understanding of the principles underlying family group conferences, in which the extended family and relevant others have a significant role in developing the plan to ensure children's welfare and safety. . Translated title of the contribution Child protection and child welfare: striking the balance Original language English Title of host publication Child protection and family support: tensions, contradictions and possibilities Editors N Parton Publisher Pages 146 - 164 ISBN Print 0415142253 Publication status Published - 1997.

### **Child Protection and Family Support: Tensions, Contradictions, and Possibilities**

In addition, there is the exciting development of family group conferences, which is the subject of this excellent latest book from Peter Marsh and Gill Crow at the University of Sheffield. The assorted articles offer a varied and interesting menu of perspectives on the tensions between protection an authoritarian stance and support a cooperative Journal Child and Adolescent Social Work Journal — Springer Journals Published: Oct 4, 2004 APA Noble, D.

### **Child protection and child welfare: striking the balance — University of Bristol**

According to recent Social Services Inspectorate 1998 inspections, children's services planning is becoming more multi-agency.
