### The Holocaust

At the end of the war, between 50,000 and 100,000 Jewish survivors were living in three zones of occupation: American, British and Soviet. When the Germans entered the ghetto again in January 1943 to remove several thousand more, small unorganized groups of attacked them.

### An Introductory History of the Holocaust

Because of this, few measures were taken against the Danish Jews before 1942.

### The Path to Nazi Genocide

The European Jews were targeted for extermination as part of a larger event during the Holocaust era, usually defined as beginning in January 1933, in which Germany and its collaborators other groups, including chiefly , , the , the , , and.

### Holocaust

The notes were based on reports about mass graves and bodies surfacing from pits and quarries in areas the had liberated, as well as witness reports from German-occupied areas.

### The Path to Nazi Genocide

Instead, they were expelled to provincial areas of the country.

### Top 10 Holocaust Films

On 6 January 1942, the Soviet Minister of Foreign Affairs, , sent out diplomatic notes about German atrocities. In 1979, Holocaust was broadcast in West Germany and watched by an estimated 20 million people, then about one-third of the population. Fleming writes that the latter was sent to the Polish Embassy in the United States.
