The aim of this organisation was to promote emigration to Canada for African Americans. Kansas City: Beacon Hill Press, 1945.

Documenting the American South: The Southern Experience in 19

His specialty is Asian religions in America, and he focuses on European and American translations or adoptions of Hindu ideas and practices. Reviewed Works: Being Religious, American Style: A History of Popular Religiosity in the United States by Charles H. Kring by Nazarene Publishing House, 1930.

Documenting the American South: The Southern Experience in 19

However, although Wesley's opposition to slavery and his treatment of African people were exemplary, it is perhaps unsurprising that his writings occasionally betray some of the ethnocentric assumptions of this period. It was intended that this work be comprehensive, but some items may have been unintentionally omitted or overlooked.
