Finding a Place to Hide: Chasing Catullus: Poems, Translations, and Transgressions

Positioning her study within the long tradition of translator prefaces and introductions, Balmer argues that such statements should be considered as much a part of creative writing as literary theory.

Chasing Catullus: Poems, Translations & Transgressions

. How many fears the girl suffers in her weak heart! How Many Kisses: to Lesbia Lesbia, you ask how many kisses of yours would be enough and more to satisfy me. The Town of Cologna Veneta O , who want a long bridge to sport on, and are ready to dance, though you fear the useless bridge-props with their much-patched standing timber, lest they tumble and lie in deep mud: let a good bridge be made for you as you desire where even leap-frogging priests are safe: but Cologna, give me that greatest gift, a good laugh.

By Jupiter, that the tribe of might all perish, and those who first pursued the search for veins of metal below the earth, and how to cut tough things with iron! The Poems of Catullus serves a valuable and educational source, enlightening audiences on the culture of the upper-class of the late Roman Republic. Fly, guiding threads: fly, spindle.

The Poems of Catullus by Catullus, Paperback

So such as they do not visit our marriages, nor allow themselves to approach us, in the light of day. Hymen O Hymenae, Hymen be near, O Hymenae! The boat says these things were well known to you, and are, and box-wood clad Cytorus: she says from the very beginning she stood on your slope, that she dipped her oars in your water, and carried her owner from there over so many headstrong breakers, whether the wind

cried from starboard or larboard, or whether struck at the sheets on one side and the other, together: and no prayers to the gods of the shore were offered for her, when she came from a foreign sea here, as far as this limpid lake. O, you boys, lift the torches: I see the flame approach.
