In 2006, it acquired Hycaill, a small Dutch business, giving the company intellectual property and a pilot plant to manufacture PLA, another bio-plastic. The generational consequences of centuries of sugar production by enslaved Africans owned as property will always be tied to the land, its raw materials, by-products, and all beneficiaries through primary and secondary markets. Among many later examples, one has already been encountered in the description of And the Sea gave up the Dead as 'Michelangelesque'.

BEST ART MUSEUMS IN BRITAIN GERMANY - AUSTRIA - SWISS Origins and History Founded in 1897 and known officially as the National Gallery of British Art, the museum was popularly referred to as the Tate Gallery, after its initial patron Sir Henry Tate.

The Tate Galleries and Slavery

A glance at the lenders shows contemporary institutions that were intricate parts of and companions to British colonialism: the British Museum, the Royal Geographical Society, the Royal Asiatic Society of Great Britain and Ireland, the Natural History Museum, the Royal Botanic Gardens, the National Maritime Museum, and the National Army Museum, among others. He has spent decades appropriating the iconography of sovereignty while undoing the mythology that guides it. Romney's many likenesses of his muse, Emma Hamilton, as a bacchante are the obvious instance, but there are others only slightly more oblique in concept.

The Tate was not built on gains from the slave trade

The portraits of captains, lieutenants and colonial governors wearing Indian silks or eagle feather headdresses are presented almost as if they illustrate some fun cross-cultural dressing-up.

'We should stop running away from the past'

In 2000 it acquired the remaining minorities of Amylum and A.

Henry Tate (1873)

There are many, many anecdotes whispered between patients in the community, that are not reflected in the evidence. By the early 1990s, the Tate Collection had grown too big for the original Tate Gallery at Millbank. His father, a minister of religion, put him into business' in Liverpool.

'We should stop running away from the past'

First, the sugar industry on which both the Tate and the Lyle firms the two merged in 1921 were built in the 19th century was itself absolutely constructed on the foundation of slavery in the 17th and 18th centuries, both in supply and in demand. They remain stories, anecdotes, whispers in the winds, but mostly they stay silently in the shadows. Both would have been hired or commissioned.

1911 Encyclopædia Britannica/Tate, Sir Henry

Neither Henry Tate nor Abram Lyle was born when the British slave-trade was abolished in 1807.
