## Moto Saikyou no Kenshi wa, Isekai Mahou ni Akogareru (Title)

I decided to talk with Eiri about my circumstances. The wages are higher in this country than in Yamato so I go caught on the lure.

## Moto Saikyou no Kenshi wa, Isekai Mahou ni Akogareru (Title)

Then, Fujimura begins to bark outside and Yosuke notices his father with a TV crew. He needs human blood to sustain himself, that's right, he's a vampire.

### Kaikisen

Yosuke's father, Yozo, orders him to hand over the shed key, but Yosuke refuses at first, but his father takes the key and leads the crew to the shed. I've tried to match the character dynamics according to canon with the addition of the ship obvs.

### Kaioh

He displays terrifyingly sadistic tendencies as well, when he brutally tortured Kenshiro prior to his planned execution, and striking a pressure point on Lin that would cause her to fall in love with the first person she saw after waking up, purely to ridicule love itself.

## Moto Saikyou no Kenshi wa, Isekai Mahou ni Akogareru (Title)

Kaioh is the last and most powerful major antagonist in the manga and Kenshiro's final opponent in the TV series. But when he starts getting hungry he can't ignore the carnal urges for long.

### Isekai Onsen e Youkoso!

The nostalgic sweet fragrance of ketchup is very appetizing.
