Theological Studies, June, 1997, Dolores Lee Greeley, review of The Rise of Christianity, p. Sociology, Wadsworth Belmont, CA , 1985, 10th edition, Thomson Higher Education Belmont, CA , 2007. David Larson is one of the premier researchers in the field and serves as president of the National Institute for Healthcare Research, as well as adjunct faculty member at the Northwestern University and Duke University Medical Schools.

How Christianity Led to the Rise of Modern Science

This led to two Catholic churches: the church of piety and the church of power. Regular church attendance, for example, is particularly instrumental in helping young people to escape the poverty of inner-city life.

The Sociological Approach to Religion

For what they brought was not simply an urban movement, but a new culture capable of making life in Greco-Roman cities more tolerable.

Content Pages of the Encyclopedia of Religion and Social Science

This is consistent with Stark's published observations of contemporary religious movements, where once-successful faith movements gradually decline in fervor due to the.
