## Murder being once done : Rendell, Ruth, 1930

In this book Wexford is on a rest cure following a health scare, staying in London with his nephew Howard, who also happens to be with the police. I adore just about every book Ruth Rendell has written.

Under strict orders from his doctor to indulge in no criminal investigation, Wexford is sent to London for a break away from the pressures of the Kingsmarkham police force. A second reading and even more pleasurable this second time 'round. I was feeling a bit under the weather for a few days and read it an hour or so at a time concentrating, as I often do when not feeling well, on words and sentences instead of paragraphs and pages even though it was a bit of a page-turner.

Since I didn't make any review notes I will say now that one reason I enjoyed it was the advanced age of Wexford in this book and the challenges that aging brings. I trained there at Biddulph's.
