He was then a professor at the in between 1982 and 1993, and from then a regents professor.

**Soviet Policies in China, 1917**

Special controls were applied to this document because it specifically referred to information acquired from Japanese security services. Soviet archives and perhaps the memories of former Soviet officials may someday disclose whether Davydov's approach was part of a campaign to intimidate the Chinese or an effort to test U. For the early history of the Chinese communist movement see B.
