## Danske Bank

The randomness on it is epic.

## Hero

Iceland was a territory ruled by , one of whose official languages was Danish. Elementær dansk grammatik 3rd ed. Since I'm not an experienced anime reviewer I wasn't sure about where I should talk about this, so I'm just including it within the sound for obvious reasons.

## Danshi Koukousei no Nichijou (Daily Lives of High School Boys)

It is a standard slice of life type of story, but one that works amazingly well. And perhaps, a message for terrorists who believe the 'cause' justifies the means; as well as people who feel the gun is the only solution for dealing with aggrieved, angry people. Thank you for not only being that, but satirising the very thing I thought you were going to be.

## Danh (2005)

Traditional dialects are now mostly extinct in Denmark, with only the oldest generations still speaking them. Another area of choice Nichibros mocks other anime is the depiction of girls.
