In her autobiography, Sanger recalls that her ex-husband chose jail as an act of protest in support of her cause to legalize contraceptive information. Margaret Sanger died a heroine in 1966.

**Birth Control in America: The Career of Margaret Sanger**

In January of 1939, two organizations that Sanger had founded, the Birth Control Research Bureau and the American Birth Control League, merged to form the Birth Control Federation of America.

**Birth Control in America: The Career of Margaret Sanger: 18: Kennedy, Professor of History David M: Amazon.sg: Books**

She helps lead this international effort whose goal is to get birth control to 120 million more women by 2020. Margaret Sanger served as the first president of the organization.

**Birth control in America; the career of Margaret Sanger**

Sanger became increasingly angered by the Left-wing party's refusal to make birth control a priority and decided on a strategy of making legalization of contraception a single-issue campaign.
