## Doing Business in Quebec: Does the Charter of the French Language Prevent the Use of Trade

An expression taken from a language other than French may appear in a firm name to specify it provided that the expression is used with a generic term in the French language. After publishing a White Paper on the subject 1977 , it introduced Bill 1, strongly supported by nationalist and union groups whose francophone members would benefit from greater access to jobs among other stakeholders, and just as sharply opposed by management circles and the province's anglophone population.

## Legislations

The fact that more than one person can display the same trade-mark shows that this cannot be tantamount to displaying a commercial name, since Quebec law prohibits enterprises from using commercial names that creates confusion with another legal person.

## Charter of the French Language

Such persons may also declare a child eligible to receive instruction in English where his father or mother attended school after 26 August 1977 and would have been eligible to receive such instruction under , even if he or she did not receive such instruction. The Government shall determine, by regulation, the procedure relating to the issue, suspension or cancellation of an attestation of implementation of a francization program or a francization certificate.

## Charter of the French Language

The French text prevails over the English one, in case of any discrepancy, for any regulation to which section 133 of the Constitution Act of 1867 does not apply.
