

Divided we stand - teaching about conflict in U.S. history

Heinemann - Divided We Stand

"I try to get each student to put themselves into the other student's position and how they might see things. I ask each student what ideas they have for resolving the problem."

- Vickie Gomez in Education Week Teacher

Description: -

- Foscolo, Ugo, 1778-1827 -- Criticism and interpretation.
 United States -- Social conditions -- Study and teaching (Secondary)
 United States -- History -- Study and teaching (Secondary)
 Social conflict -- Study and teaching (Secondary) -- United
 StatesDivided we stand - teaching about conflict in U.S. history

The 1977 Conference on Women's Rights That Split America in Two

Christy Clark-Pujara is an Associate Professor of History in the Department of Afro-American Studies at the University of Wisconsin-Madison. Slavery was not born racial as some kind of original sin; it was made so by people in historical time. These documents do add some additional depth, including identifying slavery as pervasive throughout all of the colonies and clearly identifying slavery as the cause of the Civil War.

'Divided We Stand': Portraits of a polarized country

Of course, it is difficult to find authentic accounts of slavery from the perspective of the enslaved, but it is not impossible by any stretch of the imagination. In Russia, the Soviet Revolution of 1917 changed the tenor and motivation of an already nascent avant-garde. Many internal conflicts result from a struggle over control.

United We Stand! Or Will We?

On the other hand, that survey reveals a lack of deep coverage of the subject even among teachers expressing high degrees of confidence.

United We Stand! Or Will We?

I could say as much for the right as well and this last statement of yours seems to highlight it. It removes culpability while focusing on victimhood—a dangerous proposition for teaching meaningful history.
