Analytic Philosophy of Religion in Brazil

But this seems a very difficult thing to prove. In the 1980s and 1990s Christian philosophers did begin to turn much of their efforts to explicating questions unique to Christian theology, thereby setting the precedent for the type of work done in analytic theology.

Analytic Philosophy

The most important aspect of philosophy of religion is if God exists and what God means to us Collins 43.

Philosophy of Religion (Stanford Encyclopedia of Philosophy)

Additionally, Russell believed that the grammar of natural language often is philosophically misleading, and that the way to dispel the illusion is to re-express propositions in the ideal formal language of symbolic logic, thereby revealing their true logical form. In Asian philosophy of religion, some religions do not include revelation claims, as in Buddhism and Confucianism, but Hindu tradition confronted philosophers with assessing the Vedas and Upanishads.

Analytic philosophy of religion in SearchWorks catalog

The first two volumes, which appeared in 1993, are Warrant: The Current Debate 1993 and Warrant and Proper Function 1993. Reprinted in Moore 1959, 126-148, and Moore 1993, 106-33.

Philosophy of religion

Based on his 1960—61 John Locke lectures. Analytic theology just is philosophical theology applied by theologians with philosophical methods and sensitivities.

Analytic Philosophy of Religion : James Franklin Harris : 9789048159833

The other dogma is reductionism: the belief that each meaningful statement is equivalent to some logical construct upon terms which refer to

immediate experience. Because of the perceived superiority of ideal-language analysis, however, it dropped almost completely out of sight for several decades.

William Hasker, Analytic philosophy of religion

Quine explores several other ways of defining analyticity in addition to synonymy and stipulative definition, ultimately concluding that none work. After 1960, anglophone philosophy began to incorporate a wider range of interests, opinions, and methods.
