### History of U.S. Immigration Laws

The 1986 legislation marked the culmination of bipartisan efforts both by Congress and the executive branch under four Presidents. A large share of the welfare used by immigrant households is received on behalf of their U. MacArthur Senate Committee on the Armed Services Micro-film 4731 Minutes of Documents of the Cabinet Meeting of President Eisenhower 1953-1961 Micro-film 2940 Minutes of Telephone Conversations of John Foster Dulles and of Christian Herter, 1953-1961 Micro-film 2941 The Mission of Arthur C.

### Immigrants Contribute Greatly to U.S. Economy, Despite Administration's "Public Charge" Rule Rationale

Looking at young adults in immigrant families in 1999, at least 93 percent of those who received benefits were also employed most of the time or married to someone who is. I prefer the former, and would offer the 1972 Commission's counsel that the government aim at early stabilization of numbers as the simplest and most defensible objective in this difficult area.

### Population

Eligibility for Major Federal Benefit Programs Congress restricted eligibility even for many qualified immigrants by arbitrarily distinguishing between those who entered the U. House of Representatives D-TX 1973-79, and was a professor at the Univ. The analysis relies entirely on what each household reported in the SIPP.

### Rethinking Purposes of Immigration Policy

This analysis shows that legal immigrant households make extensive use of most welfare programs, while illegal immigrant households primarily benefit from food programs and Medicaid through their U.
