### Owner Operator

I had the turkey, bacon and brie sandwich. Mining commenced, and operations got underway in 1888.

### Sudbury Rocks For Families In Winter

Note: The league sold out this year. Sudbury Rocks For Families In Winter Sudbury rocks! If we sell out in early registrations, we will not accept further registrations. Are you open to the possibilities? We are fortunate that schools remain open for in-person learning in Sudbury and districts.

### Vale in Sudbury not planning pop

I knew my ability to go beyond my own expectations and be truly absorbed in whatever I was focusing on. Definitely, a place we could have spent way more than 3 hours at! I know there are people who are still studying, even at the senior level, but being able to dial it all down to one thing is definitely beneficial.

### 2021 Spring Individual & Team Registration

It was good to know so much about this place. Our time XC skiing in Kivi Park was a winter activity redeemer for Miss M.

### Datamine acquires Sudbury

A year would go by before her breast cancer was diagnosed during a checkup performed at another hospital, in London, England. Enjoy it as part of your Science North experience.
