## Frightful Flashback: The Haunted House and Other Spooky Poems and Tales (But Mostly Poems)

This is a surprisingly easy-to-read novella.

### Duncan Campbell Scott

Maria Leach, for example, had been doing an excellent job laying the groundwork for macabre collections to come in her compendiums of chilling folklore like Whistle in the Graveyard. One of my favorite sorts of article is the Power Rankings that websites such as ESPN.

### Duncan Campbell Scott

The only critique I have is that it takes Solzhenitsyn a very long time to say anything. Thunder is travelling slow on the path of the lightning: One after one the stars and the beaming planets Look serene in the lake from the edge of the storm-cloud, Then have they vanished. The other stories in this collection share just a touch of a similar theme, just enough similarity to contribute to the commentary of Soviet Russia.

### Matryona's House and Other Stories by Aleksandr Solzhenitsyn

Rather than celebrate the gift of a laborer that never eats, sleeps or demands pay, the family. The bleak saga of a shipwreck that claims the life of a young girl and her father because the father in question is a prideful moron is made all the more disturbing by its somewhat basic, juvenile illustration. The tips of your forefingers should be touching, and the tips of your thumbs should be touching. Now spread your thumbs and forefingers apart as wide as you can so they create a kind of diamond shape.

Her sense of humor is found in such poems as There's Prejudice in the Church, or Confessions to my Third Grade Teacher.

### **Matryona's House and Other Stories by Aleksandr Solzhenitsyn**

This is my 2nd book in the Russian-subject-daisy-chain started by reading Penelope Fitzgerald's The Beginning of Spring.

Author: Joyce Ackley Publisher: Xulon Press ISBN: 160957088X Size: 36. Speaking of artwork, let's address The Haunted House's. Might someone on the design team have been a big The Haunted House fan? Their blasé attitudes become decidedly UN-blasé, however, when a visiting family member is able to somehow perceive the reason behind the inexplicable rocking.
