Tommy Tang's Modern Thai Cuisine (0757002544) by Tang, Tommy

The dishes are varied, easy to follow and the resulting taste is superb! When he was a guest on a TV Show in Beverly Hills I hosted, we had plenty of time to chat during set-up. The publisher Martin from NPL Publishing Consultants is a lunatic.

I strongly recommend that you avoid having anything to do with Tommy Tang's cookbook. I have gone to the old page. Thai cuisine is hot, spicy, sweet and sour.

Tommy Tang

By uniquely combining elements of Japanese, Indian, American, and European cooking with traditional Thai ingredients, Tommy Tang has created a cuisine that is both personally adventuresome and faithful to the Thai spirit. Every time I make a dish from a recipe in the cookbook, I get rave reviews. He was one of the top ten chefs in LA.
