## Keeping Children with Disabilities Safe

Some health conditions, such as asthma, gastrointestinal symptoms, eczema and skin allergies, and migraine headaches, have been found to be more common among children with developmental disabilities. Journal of Mental Health Research in Intellectual Disabilities, 5, 4-31. It is genetic so that explains some of it.

## Children with Disabilities

The majority have been certified as Elder Law Attorneys CELAs by the National Elder Law Foundation, the certifying entity for the National Academy of Elder Law Attorneys NAEA.

## Rights and Responsibilities of Parents of Children with Disabilities

Doing so will help them connect with their feelings and, eventually, learn how to calm themselves and regulate their emotions. These children may be more likely to experience sexual abuse.

## Facts About Developmental Disabilities

Most programs are free or for a small fee. Copyright © 2018 by the American Academy of Family Physicians. God is in control, but he gave us brains and I think that he wants us to use them.

## Working With Culturally and Linguistically Diverse Families

Developmental disabilities and oral health. What are your rights in the special education process? It is better to recognize that the school situation for your child will probably never be perfect.
