## Taiwan Is a Real Place, Not a Geopolitical Pawn

To do so would be to admit defeat and lose face. Reciprocity could take a number of forms.

## 'The China Nightmare' Is a Country Both Weak and Dangerous

Many in Washington see China as ten feet tall and great-power competition as the foremost priority of the United States. It was alleged that during the mourning period following Premier Zhou Enlai's death, Zhou was accused of earlier attempts to move against the Premier.

## China's drive to control is only getting worse

Chinese officials recently approached your government offering to build a high-speed railway and a new port as part of their Belt and Road Initiative. However in 1985 a department head of the Anti-Espionage Bureau Yu Qiangsheng, a cadre from the Ministry of Public Security, defected to the United States. The October Revolution and the Chinese People Chu Teh Zhu De The October Revolution and the Chinese People Date: November 1950 Source: People's China November 16, 1950; Issue 10, Vol.

## The Third Revolution

As events played out, Djibouti awarded management of the port to a Singaporean company.
