COMPARING THE GEOGRAPHIC DISTRIBUTIONS AND GROWTH OF MORMONS, ADVENTISTS AND WITNESSES

While all three have globalized, their geographic profiles vary considerably. Follow Chris Smith: Recently, however, some scholars are arguing that Mormonism has transcended its historic Americanness to become a multi-racial, multi-cultural, and multi-national faith. Such predictions focused on 1914, 1925, 1975, and the 1980s.

It follows then, that without a period of oral transmission or free circulation within a community, there can be no form criticism, for the forms must have been shaped and preserved by a community in order to give any valid information about that community. The essays all address O'Dea two chapters were written by former students , but they also explore the cultural and social developments of the past 50 years and how those developments have affected the church and the internationalization of the church. Their official membership finally surpassed that of Mormons in the late 1990s.

COMPARING THE GEOGRAPHIC DISTRIBUTIONS AND GROWTH OF MORMONS, ADVENTISTS AND WITNESSES

Beal -- From near-nation to New World religion? It uses the evolution of Mormons, Adventists and Witnesses to illustrate the importance of both. Opponents and proponents alike can use the fruits of empirical research in a selective way to defend the faith, but the authority of the historical-critical method is lost in so doing, and the final product lacks any real force, being merely opinion mingled with scripture.

Revisiting Thomas F. O'Dea's The Mormons; contemporary perspectives.

Both the latter have education systems designed to socialize their children into the faith, but Witnesses lack such a system.

International Expansion

These statistics suggest that the loss of new converts, while substantial, is lower than that of Mormons and Witnesses. His life was marked by a series of difficult and often painful struggles to reconcile his spirituality with recurring doubts about his Catholic identity. At the same time, he never failed to take with utmost seriousness the capacity of faith to satisfy the extraordinary needs of all individuals, including himself, for deeper meanings and a sense of purpose.
