Pervasive duplication of tumor suppressors in Afrotherians during the evolution of large bodies and reduced cancer risk

Characters: Honor is a good John Wick analog and that's all I need to say about the character, there is the added bonus of letting us know about her past and her present which makes her more relatable and we have a good protagonist. She went on a bird watching, book writing holiday and only one aspect of that holiday was successful — watching birds.

The new stealth infantry: How suppressors will change battlefield tactics

With the use of subsonic ammunition, the resultant sound waves effectively cancel out one another, and with the exception of the sound of the action cycling, completely eliminate any gunshot sound.
