The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. Basing his conclusions on interviews with local deputies, observations of local soviets at work, and the analysis of a wide range of primary source material, the author finds that Soviet citizens do have some chances to participate meaningfully in local government and that a basis exists for the continued expansion of such participation. Basing his conclusions on interviews with local deputies, observations of local soviets at work, and the analysis of a wide range of primary source material, the author finds that Soviet citizens do have some chances to participate meaningfully in local government and that a basis exists for the continued expansion of such

participation.

Kotok, in particular, refers to this model by its French form, the mandat imperatif, and claims that it is the key characteristic distinguishing the genuinely democratic nature of representation in socialist societies, although he acknowledges that the roots of this conception lie in the traditions of. Soviet Grassroots not only contributes to our empirical knowledge of political participation in the USSR but also provides a basis for speculation about the nature of political change in the Soviet system.
