## The best pubs in Britain

The mint will be taken from a plant outside the door. It features five hand pulls, all of local origin, and three real ciders served on gravity from the glass-fronted fridge opposite the bar. The pub is one of Britain's oldest and more enduring traditions, and there are so many different ones to choose from that it's often tricky to root out some of the best from the average, and then the just-plain-awful.

## Britain's top 50 gastropubs of 2020, revealed

Try seared haunch of venison or roast cod loin with chorizo.

## Best pubs in Britain for 2019 revealed in annual competition to find UK's top boozer
