Prince Edward, Duke of Kent and Strathearn

The prince was promoted to the rank of in October 1793.

Biography

We are sensible that an idea once prevailed that his Royal Highness, in early life, had participated in several of the fashionable vices of the age; but nothing was ever more remote from the truth—for it may be truly said of the Duke of Kent what can be said of very few men of Rank that he never was known to be intoxicated, or ever won or lost a farthing at any kind of play in his life; that he never endeavored to seduce the wife of another, or even made a promise he did not do his utmost to perform—his rigid adherence to his word is so remarkable that no consideration has ever induced him to swerve from a promise he has once given. Edward guided throughout his career, and made sure that the famous commander was duly honoured after his leadership during the. The citation above shows the format for footnotes and endnotes according to the Chicago manual of style 16th edition.

Edward arrived in Canada in time to witness the proclamation of the , become the first member of the Royal Family to tour and became a fixture of British North American society. As it turned out, Edward was successful and the future Queen Victoria was born from his royal marriage. Sculpted by and installed in January 1824, the statue is seven feet two inches 2.

She accompanied the Duke for the next 28 years, until his marriage in 1818. Their affair lasted 27 years until Edward was called upon to make a dynastic marriage. This office provided him with a residence now known as The Pavilion.

Biography

The dust jacket for hard covers may not be included. Except for a brief and unfortunate second term at Gibraltar from May 1802 to the spring of 1803, when he was recalled because of rumours of harsh discipline, his active military career was finished.
