Cave of Ordeals

He was one of three crew members to survive the crash. He was found just in time: Ralston was on the brink of death from blood loss. The are far past Pluto by now, but that's a different story.

Самсон против пиратов (1963)

He said he lived in Tapachula, near the Mexican border with Guatemala, and worked for a company named Camoronera Dela Costa. For 17 months at sea, the family faired well, sailing from port-to-port and seeing the world.

Самсон против пиратов (1963)

This flood, which destroys with a few exceptions a disobedient original population, is an expiation by the water, after which a new type of world is created. On May 28, 2013, divers in the wreckage of the Jacson-4 were attempting a triage of the vessel, which 100 feet down off the coast of Nigeria after capsizing. Under certain circumstances, even icons have to be washed.
